

552-16H-FW

Designed for areas such as outdoor construction sites, where falling objects are a major concern, the 552-16H-FW offers a 78 gauge steel hood to protect your cylinders and regulators. Featuring a lockable toolbox and 16" pneumatic wheels (with no-flat additive) this is an ideal construction site cart.

Key features:

- Large hood protects cylinders and regulators
- 1/4" steel permaclamps
- Available without a firewall
