

## Propane Cages

Designed to provide you with safe, secure storage for your propane cylinders, our propane cages hold your cylinders in a lockable storage rack. A sliding locator pin secures both 33 and 44 lbs. cylinders while keeping the pressure release valve pointed upwards in case of an accidental over pressurization.

### Key features:

- Lockable door provides secure storage
- Sliding locator pin fits 33 and 44 lbs cylinders and keeps release valve pointed up

# SAFTCART<sup>TM</sup>

## Propane Cages

Featuring a lockable door and options for four to sixteen cylinders, our propane cages are forklift gas stations.
