

## RG-16-3

The RG-16-3 is our solution to large, engine driven welding machine logistics.

Centering on its twin, 16" pneumatic wheels (with no-flat additive), this cart maneuvers effortlessly, utilizing a center pivot point to rotate on swivel casters on either end.

### Key features:

- 16" pneumatic wheels (with no-flat additive) for continuous operation

- Swivel casters on either end for easy maneuverability
